Your tax-deductible contributions will go to the **Polycystic Kidney Disease foundation** and the **Children's Organ Transplant Association (COTA)**.

The PKD Foundation (www.pkdcure.org) is dedicated to finding a cure for this life-threatening genetic disease that affects 600,000 Americans and 12.5 million people worldwide.

COTA (www.cota.org) exists to assist all patients 21 and younger who require a life-saving organ, bone marrow, cord blood, or stem cell transplant.

These conditions affect millions of people, including several beloved members of our Rockville community! Your help can make a difference!

Be sure to bring:

- A friend, spouse or main squeeze
- Your favorite adult beverage
(+ optional hors d'oeuvres to share)
- Your swimsuit (*lifeguards on duty*)
